

Fact sheet for those who have completed a fixed –term employment contract lasting at least three years.

Your Benefits

This fact sheet contains information about what Trygghetsstiftelsen (the Job Security Foundation) can offer those who have had a fixed-term contract with a government agency for three consecutive years. The contract must have expired after 1 January 2015 when the new 'avtal om omställning' came into effect.

Jobseeker Activities and Individualised Support

Trygghetsstiftelsen supports you in your efforts to find new employment, start your own business or find another solution.

After your employer notifies us that your contract is expiring, we can arrange a meeting with you. You will meet one of our advisors for an informal meeting to map out your current situation, your employment experience, education and your thoughts about the future. You will discuss how Trygghetsstiftelsen can best support you in order to improve your chances on the job market and to find the quickest route into new employment. Trygghetsstiftelsen offers job-seeker activities, job coaching, a recruitment service and more.

Financial Support if you Become Unemployed

If you are receiving A-kassa, you are entitled to 44 days of A-kassa supplement. The A-kassa supplement provides you with a top up of the A-kassa payment, which will provide you with a benefit that is the equivalent of approximately 80 per cent of your set salary for 44 days. We base your A-kassa supplement on the lower salary when we compare your set salary with the A-kassa with the salary you received at the start of the agreement.

Because of the coronavirus outbreak, the government has decided to temporarily increase the basic amount in the a-kassa. This is a temporary increase and applies between 13 April 2020 and 3 January 2021.

During this period, A-kassa has a cap of 1,200 SEK per day for the first 100 days, which is the

equivalent of 80 per cent of a 33,000 SEK salary. Therefore you can apply for an A-kassa supplement from Trygghetsstiftelsen if your set monthly income exceeds 33,000 SEK.

You can apply for the A-kassa supplement from Trygghetsstiftelsen as soon as you are granted A-kassa. The A-kassa supplement can be awarded regardless of whether you are in receipt of full-time or part-time A-kassa.

Example: If you had an average salary calculated by your A-kassa as 35,000 SEK per month

$80\% \times 35,000 \text{ SEK} = 28,000 \text{ SEK}$

$28,000 \text{ SEK} \div 22 \text{ days} = 1,273 \text{ SEK per day}$

The unemployment benefit supplement will be 1,273 SEK – 1,200 SEK = 73 SEK per day.

Many unions offer income loss insurance policies. Please contact your union for information about what applies to you.

The same applies if you can no longer run your own business started with Trygghetsstiftelsen's help.

Conditions for Financial Support

If you are aged 65 or older, you are not eligible to receive supplements but you do have the right to other individualised help until the month you turn 67. It is your legal duty to inform us of any changes that affect your benefits, to avoid being liable to pay back money already received.

Paid Leave

In order to help you find new employment as quickly as possible you have the right to paid leave from work in order to attend the meeting with Trygghetsstiftelsen's advisor. This applies during the final month of your employment. Both you and Trygghetsstiftelsen must inform your employer about the meeting and notify them of any changes.

Occupational Health Benefits

You have the right to occupational health benefits right up until the date your contract expires. After this date you are still entitled to use up any benefits that your employer has already paid for.

Timeframe According to the 'Avtal om omställning' Agreement

For those who have had fixed-term employment, the timeframe in which the benefits described here apply is four years from and including the day after the contract expired.
